

I need to use...

word	definition
seaside	The area near the sea.
resort	A place to go on holiday.
location	A place.
map	A drawing of all or part of the earth's surface.
compass	A tool for finding direction.

I need to recognise:

The key features of a seaside location.

### Seaside

Name some seaside resorts and their locations.

Find the nearest seaside locations on a map.

Use a map to follow a seaside walking route.

### I need to remember:

- 🔑 Some nearby seaside locations.
- 🔑 Key words to describe some seaside locations.
- 🔑 Some human and physical features.
