

What should I already know?

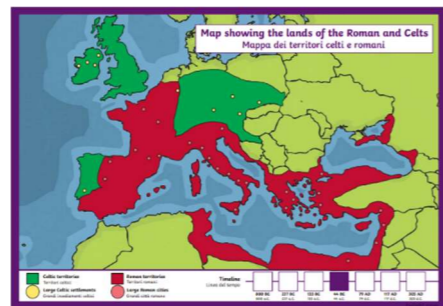

- \* Egypt is a country in the **continent** of Africa. \* The **climate** of Egypt is different to that of the UK. \* What life was like in Stone Age Britain and Egypt.
- \*The countries in Britain. \*Physical and Human features of Wiltshire and Merseyside.

Important Facts

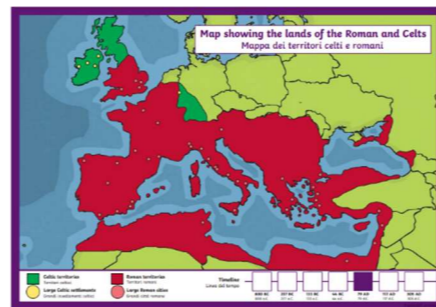

- The Roman's originated in Rome, Italy (800 BC). They took control over modern day Italy and Sicily by 273 BC.
- The Roman's invaded neighbouring countries and took over control.
- The Roman's grew an Empire as they successfully invaded more and more countries.

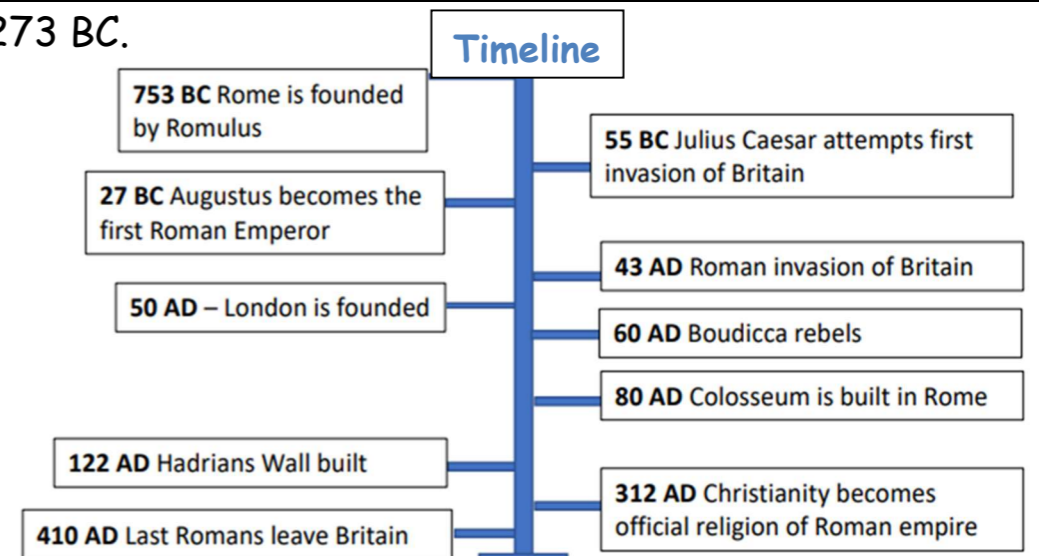

273 BC

44 BC

79AD

- The Roman invasion of Britain was a success not just because of their strength and tactics, but also because of the people's alliances with certain tribes against others.
- Boudica was a member of the Iceni tribe who lived in Norfolk. The Iceni were initially on good terms with the Romans who had invaded Britain in AD 43.
- Boudica and her tribe rebelled against the Romans AD 60 who had begun to control the area, refusing to pay money and fighting for their land.
- Caledonia was never captured by the Roman empire due to the relentless defence by the barbaric Picts who lived in the land and the wall built across the border to prevent access and provide opportunity to cover themselves during battle.
- The Romans withdrew from Britain because they were being attacked by people who disagreed with the Roman Empire's control and had to retreat to protect their capital, Rome.
- The Romans left behind a changed country. Britain had roads, towns, new plants (sweet chestnuts and parsley), animals (chicken), measurements and Christianity.

Barbarian	- A term used used by the Romans to refer to people who lived outside the Roman Empire
Caledonia	- The name used for Scotland at the time.
Century	- A division of the Roman army made up of 80 soldiers and led by a centurion.
